Applications for waivers from annual limit requirements are reviewed on a case by case basis by Department officials who look at a series of factors including whether or not a premium increase is large or if a significant number of enrollees would lose access to their current plan because the coverage would not be offered in the absence of a waiver. More detailed information on specific criteria can be found at: [http://www.hhs.gov/ociio/regulations/11-05-2010annual\\_limits\\_waiver\\_bulletin.pdf](http://www.hhs.gov/ociio/regulations/11-05-2010annual_limits_waiver_bulletin.pdf). Approved applicants are granted an annual limit waiver for one year. The Office of Consumer Information and Insurance Oversight's sub-regulatory guidance on the process for obtaining waivers of the annual limits requirements may be found at: [http://www.hhs.gov/ociio/regulations/patient/ociio\\_2010-1\\_20100903\\_508.pdf](http://www.hhs.gov/ociio/regulations/patient/ociio_2010-1_20100903_508.pdf)
